WORK EXPERIENCE

Front End Developer - Freelance

DEREN GENCELI PRIVATE DENTIST - TURKEY / DENIZLI
2021 JULY - 2021 AUGUST

- <https://derengenceli.com>
- I was able to manage the design, coding, and publishing processes.
- Used HTML & CSS & JS.

iOS Developer - Personal Projects

2020 DECEMBER - 2021 JULY

- Created educational applications for students and published them on the App Store.
- Applications were built with an MVC design pattern.
- Currently working on more complex personal applications and projects.

Front End Developer - Freelance

UMUT STORE - TURKEY / ESKISEHIR

2020 AUGUST - 2020 SEPTEMBER

- www.umutstore.net
- I published a simple landing page for the company which sells electronic items on N11, Amazon Turkey, Gittigidiyor, and Trendyol.com.
- Used HTML & CSS and JavaScript to build this website.
- Hosting & domain name was managed by me in a short time.

Front End Developer - Personal Project

VAT REFUND CALCULATOR

2020 JULY - PRESENT

- <https://vatrefundcalculator.com>
- I built this website to help people to find Tax Rates for European countries and the US States.
- Used HTML & CSS & JS.
- I got data from the JSON file which I have created.

Front End Developer - Freelance

BUDAK INSURANCE & CONSULTANCY - TURKEY

2020 JULY - 2020 AUGUST

- I helped the company to create a new highly interactive website.
- The project size was reduced during the development stage. It was left as a landing page.
- Built with HTML & CSS & JS & Bootstrap.
